

FRANCE ICT “SALARIE DETACHE” PROCESS MAP

STEP 7: RESIDENCE PERMIT COLLECTION

Once the residence permit is ready for collection, the Prefecture will contact the assignee to come and collect it in person.
Processing time: 1 day

STEP 6: BIOMETRICS APPOINTMENT

When ready, the Préfecture will contact the applicant (and spouse if applicable), usually by post or text message, to ask them to return to submit biometric data, i.e. fingerprints. In some cases the biometrics may be given at the time of application.

STEP 5: RESIDENCE PERMIT APPLICATION

If the applicants are holding D visas, residence permits must be applied for in person at the government administrative office (Préfecture) responsible for the applicant's place of residence as soon as possible.
Processing time: 10-12 weeks

STEP 1: INITIATION

Client submits required documents to FGI.

STEP 2: “SALARIE DETACHE” APPLICATION

An appointment with the French diplomatic post must be made several weeks in advance. The “Salarie Detache” visa application must be submitted to the French Embassy/Consulate in the assignee's country of residence.
Processing time: 1 – 6 weeks

STEP 3: ENTRY TO FRANCE

The applicant (and family) may now enter France with their passports and visas, which should be stamped on entry at the port of entry.
Processing time: 1 day

STEP 4: POSTED WORKER NOTIFICATION

A prior detachment declaration should be submitted to the labour inspectorate online by the sending entity prior to the commencement of the assignment. The assignee can start work after this step
Processing time: 1 day
